Roles and Accountabilities

The Diocese of Norwich Education and Academies Trust (DNEAT) is accountable for all policies across its Academies. All policies whether relating to an individual academy or the whole Trust will be written and implemented in line with our ethos and values as articulated in our prospectus. We are committed to the provision of high quality education in the context of the Christian values of service, thankfulness and humility where individuals are valued, aspirations are high, hope is nurtured and talents released.

A Scheme of Delegation for each academy sets out the responsibilities of the Local Governing Body and Principal / Head Teacher. The Principal / Head Teacher of each academy is responsible for the implementation of all policies of the Academy Trust.

All employees of the Academy Trust are subject to the Trust's policies.

Context

This plan seeks to address the statutory requirements of the Equality Act 2010 (which replaces the Disability Discrimination Act 1995)

1. Policy

1.1 The Trust Board and Local Governing Body of each DNEAT academy is committed to promoting equality of opportunity for all staff and job applicants. We aim to create a supportive and inclusive working environment in which all individuals are able to make best use of their skills, free from discrimination or harassment, and in which all decisions are based on merit.

1.2 We do not discriminate against staff on the basis of age; race; sex; disability; sexual orientation; gender reassignment; marriage and civil partnership; pregnancy and maternity; religion, faith or belief. (Equality Act 2010 protected characteristics). The principles of non-discrimination and equality of opportunity also apply to the way in which staff and Governors treat visitors, volunteers, contractors and former staff members.

1.3 All staff have a duty to act in accordance with this policy and treat colleagues with dignity at all times, and not to discriminate against or harass other members of staff, regardless of their status. [Your attention is drawn to our separate Bullying and Harassment policy.]

1.4 This policy has been agreed following consultation with the DNEAT Joint Consultative Committee of Trade unions.

1.5 The DNEAT Statement under Public Sector Equality Duty is attached as part of the Equality and Diversity Trust Core Policy

1.6 This policy does not form part of any employee's contract of employment and may be amended at any time.

2. Who is covered by the policy?

2.1 This policy covers all individuals working at all levels and grades, including senior managers, employees, trainees, part-time and fixed-term employees, volunteers, casual workers, agency staff and governors (collectively referred to as **staff** in this policy).

3. Who is responsible for this policy?

3.1 The Trust Board, through its Personnel Committee has ultimate responsibility for this Policy and for ensuring compliance with discrimination law.

3.2 The Local Governing Body has responsibility for the effective implementation of this policy and the Senior Manager with responsibility for equalities issues has overall responsibility for the effective operation of this policy and for ensuring compliance with discrimination law. The Ethos Committee is responsible for monitoring the implementation of this policy [and reporting on the progress made in achieving targets set by the Local Governing Body]. Day-to-day operational responsibility [including regular review of this policy,] has been delegated to the Headteacher / Principal.

All members of the senior leadership team must set an appropriate standard of behaviour, lead by example and ensure that those they manage adhere to the policy and promote our aims and objectives with regard to equal opportunities. Managers will be given appropriate training on equal opportunities awareness and equal opportunities recruitment and selection best practice. [NAME OF SENIOR MANAGER] has overall responsibility for equal opportunities training. All members of staff are personally responsible for ensuring that they adhere to the policy and promote our aims and objectives with regard to equal opportunities. In certain circumstances, the Local Governing Body could be held to be vicariously liable for actions of their staff. Staff should be aware that they may be personally liable if they are found to have discriminated against another person whilst in School or on School-related business.

3.3 If you are involved in management or recruitment, or if you have any questions about the content or application of this policy, you should contact [NAME OR POSITION] [to request training or further information].

4. Scope and purpose of the policy

4.1 This policy applies to all aspects of our relationship with staff and to relations between staff members at all levels. This includes job advertisements, recruitment and selection, training and development, opportunities for promotion, conditions of service, pay and benefits, conduct at work, disciplinary and grievance procedures, and termination of employment.

4.2 We will take appropriate steps to accommodate the requirements of different religions, cultures, and domestic responsibilities. Please see the list of linked policies for specific information on our approach to these issues which can be found at the end of this policy.

5. Forms of discrimination

5.1 Discrimination by or against an employee is generally prohibited unless there is a specific legal exemption. Discrimination may be direct or indirect and it may occur intentionally or unintentionally.

5.2 Direct discrimination occurs where someone is treated less favourably because of one or more of the protected characteristics set out above. For example, rejecting an applicant on the grounds of their race because they would not "fit in" would be direct discrimination.

5.3 Indirect discrimination occurs where someone is disadvantaged by an unjustified provision, criteria or practice that also puts other people with the same protected characteristic at a particular disadvantage. For example, a requirement to work full time puts women at a particular disadvantage because they generally have greater childcare commitments than men. Such a requirement will need to be objectively justified.

5.4 Harassment related to any of the protected characteristics is prohibited. Harassment is unwanted conduct that has the purpose or effect of violating someone's dignity, or creating an intimidating, hostile, degrading, humiliating, peer on peer abuse or offensive environment for them. Harassment is dealt with further in our Staff Bullying and Harassment Policy.

5.5 Victimisation is also prohibited. This is less favourable treatment of someone who has complained or given information about discrimination or harassment, or supported someone else's complaint.

6. Recruitment and Selection

6.1 We aim to ensure that no job applicant suffers discrimination because of any of the protected characteristics above. Our recruitment procedures are reviewed regularly to ensure that individuals are treated on the basis of their relevant merits and abilities. Job selection criteria are regularly reviewed to ensure that they are relevant to the job and are not disproportionate. Short listing of applicants will be done by more than one person wherever possible.

6.2 Job advertisements will avoid stereotyping or using wording that may discourage groups with a particular protected characteristic from applying. We take steps to ensure that our vacancies are advertised to a diverse labour market.

6.3 Applicants will not be asked about health or disability before a job offer made. There are limited exceptions which will only be used with the Trust HR provider approval. For example

- Questions necessary to establish if an applicant can perform an intrinsic part of the job (subject to any reasonable adjustments).

- Questions to establish if an applicant is fit to attend an assessment or any reasonable adjustments that may be needed at interview or assessment.
- Positive action to recruit disabled persons.
- Equal opportunities monitoring (which will not form part of the decision-making process).

6.4 Applicants will not be asked about past or current pregnancy or future intentions related to pregnancy. Applicants will not be asked about matters concerning age, race, religion or belief, sexual orientation, or gender reassignment without the approval of the Trust HR provider (who will first consider whether such matters are relevant and may lawfully be taken into account).

6.5 We are required by law to ensure that all staff are entitled to work in the UK. Assumptions about immigration status will not be made based on appearance or apparent nationality. All prospective employees, regardless of nationality, will be expected to produce original documents (such as a passport) before employment starts, to satisfy current immigration legislation. The list of acceptable documents is available from the UK Border Agency.

6.6 To ensure that this policy is operating effectively, and to identify groups that may be underrepresented or disadvantaged in our organisation, we monitor applicants' ethnic group, gender, disability, sexual orientation, religion and age as part of the recruitment procedure. Provision of this information is voluntary and it will not adversely affect an applicant's chances of recruitment or any other decision related to their employment. The information is removed from applications before short listing, and kept in an anonymised format solely for the purposes stated in this policy. Analysing this data helps us take appropriate steps to avoid discrimination and improve equality and diversity.

7. Staff training and promotion and conditions of service

7.1 Staff training needs will be identified through regular staff appraisals. All staff will be given appropriate access to training to enable them to progress within the organisation and all promotion decisions will be made on the basis of merit.

7.2 Workforce composition and promotions will be regularly monitored to ensure equality of opportunity at all levels of the organisation. Where appropriate, steps will be taken to identify and remove unjustified barriers and to meet the special needs of disadvantaged or underrepresented groups.

7.3 Our conditions of service, benefits and facilities are reviewed regularly to ensure that they equal opportunities for all.

8. Termination of Employment

We will ensure that disciplinary procedures and penalties are applied without discrimination, whether they result in disciplinary warnings, dismissal or other disciplinary action. We will ensure that redundancy criteria and procedures are fair and object and are not directly or indirectly discriminatory.

9. Disability discrimination

If you are disabled or become disabled, we encourage you to tell us about your condition so that we can support you as appropriate.

If you experience difficulties at work because of your disability, you should speak to your line manager to discuss any reasonable adjustments that would help overcome or minimise the difficulty. Your line manager may wish to consult with you and your medical adviser(s) about possible adjustments. We will consider the matter carefully and try to accommodate your needs. If we consider a particular adjustment would not be reasonable, we will explain our reasons and try to find an alternative solution where possible.

We will monitor the physical features of our premises to consider whether they place disabled workers, job applicants at a substantial disadvantage compared to other staff. Where reasonable, we will take steps to improve access for disabled staff.

10. Fixed-term employees, Casual and Agency Workers

We monitor our use of fixed-term employees, casual and agency workers, and their conditions of service, to ensure that they are being offered appropriate access to benefits, training, promotion and permanent employment opportunities. We will, where relevant, monitor their progress to ensure that they are accessing permanent vacancies.

11. Part-time work

We monitor the conditions of service of part-time employees and their progression to ensure that they are being offered appropriate access to benefits and training and promotion opportunities. We will ensure requests to alter working hours are dealt with appropriately under our Flexible Working Policy.

12. Breaches of this policy

If you believe that you may have been discriminated against you are encouraged to raise the matter through our Grievance Procedure. If you believe that you may have been subject to harassment or bullying, you are encouraged to raise the matter through our Staff Bullying and Harassment Policy.

Allegations regarding potential breaches of this policy will be treated in confidence and investigated in accordance with the relevant procedure. Staff who make such allegations in good faith will not be victimised or treated less favourably as a result.

False allegations which are found to have been made in bad faith will, however, be dealt with under our Disciplinary Procedure.

Any member of staff who is found to have committed an act of discrimination or harassment will be subject to disciplinary action. Such behaviour may constitute gross misconduct and, as such, may result in summary dismissal. We take a strict approach to serious breaches of this policy.

13. Monitoring and review of the policy

13.1 This policy is reviewed annually by the Trust's Personnel Committee.

We will continue to review the effectiveness of this policy to ensure it is achieving its objectives.

Staff are invited to comment on this policy and suggest ways in which it might be improved by contacting the Headteacher / Principal.
